## Summary of Qualifications

---

Fall 2007-Present: Chemical Environmental Technology, Texas State Technical College  
Chemistry I & II, Environmental Sampling, Polymer I & II, Unit Operations I & II,  
Advance Environmental Analysis, Organic Chemistry

- Unit Operations
- *Batch Drying, Batch Distillation, Fluid Flow Methods, Size Reduction/Screening Process Operator Training Process*
  
- Spectroscopy
- *IR Spectrometry, UV-VIS Spectrometry*
  
- Polymer Analysis and Characterization
- *Extrusion System, Tensile Strength Metering System, Press System, Pelletize*
  
- Chromatography
- *Gas Chromatography, Packed/Capillary Columns, Chromatography HPLC pump, FID, FPD, TCD*
  
- AE, Viscosity Bath, Melting Point Index, Refractometer
  
- Environmental Analysis
- *COD Reactor, DO Meter, pH Meter, Global Flow Probe*

## Languages

---

English and Spanish

## Volunteer Experience and Activities

---

Adopt-A-Beach	Fall 2007-April 2009
Chemical Environmental Tour	Fall 2007-Spring 2009
Calling All Rosie's Non-Traditional Expo.	Fall 2007-Spring 2009
CET Fundraisers	Fall 2007-Spring 2009
CET Club Historian	Fall 2008-Spring 2009

## Personal Interests

---

Environmental Instruments, Polymer Analysis and Characterization, and Current Events
